Preparing for your Ultrasound

Ultrasound Abdomen

- No food after 9 pm the night before your procedure.
- On the morning of your procedure, no food, coffee, tea, milk or juice.

Ultrasound Abdomen & Pelvis

- No food before 9pm the night before your procedure.
- On the morning of your procedure, no food, tea, coffee, milk or juice. Only water is allowed.
- Please drink 6 glasses of water 30 minutes prior to arriving for your procedure as your bladder must be full.

Ultrasound Pelvis / Prostate / renal tract

- Please drink 6 glasses of water 30 minutes prior to arriving for your procedure as your bladder must be full.

Prep for a mammogram

- Please bring any previous Mammogram reports and images.
- Please confirm with medical aid for authorisation on mammogram.
- Please do not apply any lotion, deodorant, powder or perfume before your mammogram. You may bring with you to apply afterwards.
